

Example schedule

Milestone	Example date	Status
Initial review	2026-10-05	Planned
Sample delivery	2026-10-12	Planned
Review complete	2026-10-19	Planned

Landscape pages use the same continuous numbering sequence.

Example schedule

Sample completion checklist

Three documents, six pages total.

Default numbering runs continuously from the first through the sixth page.

The output manifest should contain one row per document.

Compare the manifest ranges with the numbers on the output PDFs.
